NEW EVENTS

The Community Friends is where community partners collaborate to bring fun events and activities straight to you. These events are for the whole family, so bring the kids.

Youth Leadership is designed to provide opportunities to enhance leadership skills and personal development of youth between the ages of 13-18 years of age.

The goal is to encourage youth to explore life, build character and develop personal bonds with other youth and leaders within our communities.

Parents, encourage your children to come out and give it a try!

Resident Services introduces and links residents with a wide range of programs and services to enhance the quality of life and to encourage upward mobility into the community.

Through vital community partners we are able to provide a variety of education, social and cultural programs, health and wellness screenings and recreational activities designed to assist residents in achieving stability, strength and self-sufficiency.

For more information or to schedule a ride contact: Resident Services at 706-886-9455.
