1. Increase and/or decrease in Utility Allowance Factors used to calculate usage

The tenant utility allowances for which we have requested approval are:

Bedrooms	Present Utility Allowance	Proposed Utility Allowance

2	187	196
3	189	188
4	248	271

A copy of the materials that we are submitting in support of our request will be available during normal business hours for a period of 30 days from the date of service of this notice for inspection and copying by tenants and, if the tenants wish, by legal or other representatives acting for them individually or as a group.

During a period of 30 days from the date of service of this notice, tenants may submit written comments on the proposed rent increase to us at **P.O. Drawer J, Toccoa, GA 30577**. Tenant representatives may assist tenants in preparing those comments. (If, at request or otherwise, we make any material change during the comment period in the materials available for inspection and copying, we will notify the tenants of the change or changes, and the tenants will have a period of 15 days from the date of service of this additional notice (or the remainder of any applicable comment period, if longer) in which to inspect and copy the materials as changed and to submit comments on the proposed rent increase). These comments will be transmitted, along with our evaluation of them and our request for the increase.

Re: Homer Property Management, LLC will approve, adjust upward or downward, or disapprove the proposed tenant utility allowance decreases upon reviewing the request and comments. When we are advised in writing of its decision on our request, you will be notified. If the request is approved, any required decrease will be put into effect only after a period of at least 30 days from the date you are served with that notice and in accordance with the terms of existing leases.
