Dear Friends, Neighbors, and Community Partners,

On behalf of the Whitman Empowerment Center (WEC) | Northeast Georgia Housing Authority, we would like we would like to share the work taking place within our community. For nearly a year, we have been providing after-school programming, youth activities and working to provide a safe, supportive, and engaging environment for youth and families in our community.

We are truly amazed at how far we have come with a team of dedicated volunteers. Thanks to their commitment—and the collaborative efforts of Housing, our partners, and the City—we have made significant progress in repairing and improving the facility while creating a welcoming center for growth, learning, experiences, and connection. To continue providing these valuable services—and to expand access to families in need—we need your help.

At this time, we are able to sustain our existing participants through our current funding sources. However, we are working toward our vision of “One Community” while growing partnerships and increasing our overall community impact. While the Community Center itself is not 501(c)(3), we collaborate with nonprofit partners to ensure that contributions can still be made in meaningful and beneficial ways.

With your support, we can expand access to more youth in the broader community, strengthen program delivery, provide additional resources and training opportunities, create staffing positions, and ensure the center continues to grow in a sustainable and impactful way for years to come.

To achieve this, we must secure additional funding. Every contribution—large or small—helps strengthen families, reduce risk factors, and build long-term community stability while creating opportunities for youth and families to grow and succeed.

Whether through financial support, volunteering, or helping spread the word, there are many ways to get involved and make a difference. You can also assist by identifying local funding opportunities or connecting us with individuals, organizations, or community leaders who may be interested in supporting this important work.

Thank you for your time, consideration, and any guidance or connections you can offer. This is more than a donation, it is an investment in children, families, and the future of our community. We deeply appreciate your support in helping us invest in the future of Stephens County families and for partnering with us to empower our community.

Sincerely,

Angie Cothran
